

– NOTIFICATION – PRICE CHANGE

We truly thank you and your dog for always using our service. We are sorry that we have to announce a **10% price raise** on our entire current service rates effective **October 1st** due to our business running costs being strongly affected by the extreme inflation. We honestly hope for your understanding and look forward to continuing cooperation with you providing our best service.

*For further informations, please see the PDF file 'New rates'.

The service contents on all of our services remain the same.
